Description, appraisal, measures and boundaries:

Disposición Jurídica Resolución No. 54/14 del Instituto de Planificación Física.

The technical opinion of description, appraisal, measures and boundaries is issued by the DMPF, and natural people present it to the Physical Planning Officer (OGTV): ground ownership and ground plan survey, property description and appraisal calculation (technical document) prepared by the authorized entity (currently Community Architect).

Term: 20 working days. Stamp: \$5.00.

The measures and boundaries set by the Municipal Physical Planning Office will be updated in the Technical Report through a cadastral certification.
